Profile

Detail-oriented and results-driven Data Science professional with a strong academic background in Economics and a Certified Specialist in Data Science and Analytics. Skilled in Python, SQL, and data visualization tools like Power BI and Tableau. Experienced in building machine learning and deep learning models for real-world projects, including time series forecasting. Passionate about turning data into actionable insights and delivering impactful solutions.

Education

Certified Specialist in Data Science and Analytics , ICT Academy of Kerala	2025
MA in Economics , Govt.College, Nedumangad – University of Kerala	2022 – 2024
Awaiting Results	
BA in Economics , BJ CSI Arts and Science College – University of Kerala	2018 – 2021
Percentage: 67%	
Intermediate – Commerce , Govt.Girls HSS, Peroorkada	2016 – 2018
Percentage: 77%	
High School , Govt.Model VHSS, Vellanad	2015 – 2016
Percentage: 70%	

Skills

Data Science— Data Analysis— Machine Learning— Deep Learning— Python— SQL— Power BI— Tableau— Excel— Microsoft Word— Streamlit

Projects

AI Stock Forecaster – Stock Price Prediction Using LSTM

Stock Price Prediction Using LSTM

Streamlit Web App

This project uses Long Short-Term Memory (LSTM) deep learning models to forecast the next 7 days of stock prices for 25 leading companies and identify price movement direction (up/down). It integrates data collection, modeling, and real-time interactive visualization using Streamlit.

Certificates

- *Certified Specialist in Data Science and Analytics*
- *LinkedIn Learning Certificates*
